March 1, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for Pittsford Area High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mr. TG Cook for assistance.

The AER is available for you to review electronically by visiting the following web <https://www.mischooldata.org/AER2018/CombinedReport2.aspx> or you may review a copy in the main office at your child's school.

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%.

Pittsford High School was not identified with any of these labels therefore, no label is given.

1. Pittsford High School participates in School of Choice.
2. Pittsford High School is achieving the goals set forth in the School Improvement Plan.
3. Pittsford High Schools follows the MDE education standards. Curriculum maps can be found on the district website for many of the middle and high school courses.
4. Pittsford High School had 92% of parents in attendance at parent-teacher conferences.
5. The number of postsecondary enrollments for the 2017-2018 school year were 25 classes, with 76 credits earned.
6. 100% of these students received a score leading to college credit.
