- B. The Association and its representatives shall have the right to use school buildings on school days at all reasonable hours for meetings, provided that when special custodial service is required, the Board may make a reasonable charge thereof. No charge shall be made for use of schoolrooms before the commencement of the school day not until 9:00 p.m.
- C. The Pittsford Education Association shall have the right to use school facilities and equipment, including computers, and duplicating equipment, calculating machines, and all types of audio-visual equipment before and after normal school hours, when such equipment is not otherwise in use. The Association shall pay for the cost of all materials and supplies incident to such use. Duly authorized representatives of the Association shall notify an appropriate school administrator of their presence at all times. They shall be permitted to transact official Association business on school property before and after school hours.
- D. The Board agrees to furnish to the Association in response to written requests from time to time information concerning the financial resources of the district, adopted budgets and such other public information as it may reasonably require. Nothing contained in the above shall be construed to require that the Board provide any information not already available to it or to provide such information in any form other than that in which it would normally be provided to the Board.
- E. Whenever the Board has reached a tentative conclusion to request additional millage from the community, it will give notice to the Association of that fact prior to the reaching of a final decision with respect thereto and will give the Association the opportunity to meet with either the Financial Committee of the Board or other such representative as the Board may select to discuss the Board's contemplated request for any millage increase and its expected allocation thereof.
- F. The Board shall also make payroll deductions upon written authorization from teachers for annuities, credit union, savings bonds, charitable donations, or other plans or programs jointly approved by the Association and the Board.

- G. The parties agree that every bargaining unit member will be required each school year to sign an individual contract of employment as provided in Section 1231 of the Michigan School Code and that every contract shall contain the following:

"This contract is subject to a collective labor agreement heretofore or hereafter negotiated by the Board and the Association. The terms of said collective labor agreement are incorporated herein and by accepting and signing this contract, I agree to be bound by all such terms, including provisions of Article 3 F, thereof."

ARTICLE 5

NEGOTIATION PROCEDURES

- A. The terms and conditions of employment in this Agreement shall remain in effect until altered by mutual agreement in writing between the parties. It is in the public interest that the opportunity for mutual discussion of such matters is provided. The parties accordingly undertake to cooperate in arranging meetings, selecting representatives for discussion, furnishing necessary information and otherwise constructively considering and resolving any such matters.
- B. Not later than July 1, the Board agrees to negotiate with the Association over a possible Successor Agreement in accordance with the procedure set forth herein in a good-faith effort to reach agreement concerning teachers' salaries and all other conditions of their employment. Any agreement so negotiated will apply to all teachers, and will be reduced to writing and signed by the Board and the Association.
- C. Neither party in any negotiations shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the school district. 3. A teacher may be asked to explain absence immediately before or after a holiday or recess.
4. A teacher who is unable to teach due to personal illness or disability and has exhausted accumulated sick leave shall be granted a leave of absence without pay for the duration of such illness or disability, up to one (1) year. ### GRIEVANCE PROCEDURE

#### A. Definitions:

1. A "grievance" is a claim based upon an event or condition, which affects the welfare or conditions of employment of a teacher or group of teachers and/or arising from the language of this Agreement or an alleged breach thereof. It is expressly understood that a claim, which does not affect the welfare or conditions of employment of a member of the unit described in Article I above, will not constitute a grievance.

2. An "aggrieved person" is the person or persons making the claim.
3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.
4. The term "days" as used herein shall mean days in which school is in session or during the summer when the superintendent's office is open.

B. Purpose:

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solution to grievances, which may from time to time arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing contained herein will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given opportunity to be present at such adjustment. However, individuals may not arbitrate a grievance.

C. Procedure:

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be considered a maximum, and every effort should be made to expedite the process. If appropriate action is not taken within the time limit specified, the grievance will be deemed settled in the basis of the disposition at the preceding level. The time limits specified may, however, be extended by mutual agreement. In the event a grievance is filed on or after June 1 which, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practicable.
2. The Association shall designate one (I) representative per building to handle grievances when requested by the grievant. The Board hereby designates the principal of each building to act as its representative at Level One as hereinafter described and the Superintendent of his designated representative to act at Level Two as hereinafter described.
3. Written grievances as required herein shall contain the following:
  - a. It shall be signed by the grievant or grievants.
  - b. It shall be specific.
  - c. It shall contain a synopsis of the facts giving rise to the alleged violation.

If as a result of the informal discussion with the building principal a grievance still exists three (3) days after the interview, the teacher and the representative from the building will reduce the grievance to writing in a form substantially in accordance with that set forth in annexed Appendix D. A copy of the grievance form shall be delivered to the principal within five (5) days.
  - b. Within five (5) days of receipt of the grievance, the principal shall meet with the parties involved in an effort to resolve the grievance. The principal shall indicate his/her disposition of the grievance in writing within (5) days of such a meeting and shall furnish a copy thereof to the Association.
5. Level Two –
  - a. A copy of the written grievance shall be filed with the Superintendent or his/her designated agent as specified in Level One with the endorsement thereon of the approval or disapproval of the Association. Within five (5) days of receipt of the grievance, the Superintendent or his/her designated association representative, at the option of the grievant, to discuss the grievance. Within five (5) days of the discussion, the Superintendent or his/her designated agent shall render his/her decision in writing, transmitting a copy of the same to the grievant, the Association secretary; the building principal in which the grievance arose, and place a copy of same in a permanent file in his/her office.
  - b. If no decision is rendered within five (5) days of the discussion, or the decision is unsatisfactory to the grievant and the Association, the grievant shall within five (5) days appeal same to the Board of Education by filing such written grievance along with the decision of the Superintendent, with the officer of the Board in charge of drawing up the agenda for the Board's next regularly scheduled Board meeting.
6. Level Three –
  - a. Upon proper application as specified in Level Two, the Board shall allow the teacher and his/her Association representative an opportunity to be heard at the meeting for which the grievance is scheduled.
  - b. The appeal to the Board is restricted to issues for which the appealing teacher is entitled to closed session review under the Open Meetings Act. In requesting the Board level review in such cases, the teacher must request the hearing and deliberations be considered in closed session as afforded by law. If the teacher fails to make the request, the hearing will be in open session. Upon notice of the denial in such instances, the timelines for further appeal on arbitral grievances shall be as set forth in Level Four.
  - c. Within one (1) month from the hearing of the grievance, the Board shall render its decision in writing. The Board may hold future hearings, thereon or otherwise investigate the grievance provided, however, that in no event except with express written consent of the Association shall final determination of the grievance be made by the Board more than one (1) month after the initial hearing.
  - d. A copy of the written decision of the Board shall be forwarded to the Superintendent for permanent

filing, the building principal for the building in which the grievance arose, the grievant, and the secretary of the Association.

7. Level Four –

- a. If the Association is not satisfied with the disposition of the grievance at Level Three, it may within ten (10) days after the decision of the Board refer the matter for arbitration to the American Arbitration Association, in writing, and request the appointment of an arbitrator to hear the grievance. If the parties cannot agree upon an arbitrator, he/she shall be selected in accordance with the rules of the American Arbitration Association, except each party shall have the right to peremptorily strike not more than three (3) from the list of arbitrators.
- b. Neither party may raise a new defense or ground at Level Four not previously raised or disclosed at other written levels. Each party shall submit to the other party not less than three (3) days prior to the hearing a pre-hearing statement alleging facts, grounds and defenses which will be proven at the hearing and hold a conference at that time, in an attempt to settle the grievance.
- c. The decision of the arbitrator shall be final and conclusive and binding upon employees, the board and the Association. Subject to the right of the Board or the Association to judicial review, any lawful decision of the arbitrator shall be forthwith placed into effect.
- d. Powers of the arbitrator are subject to the following limitations:
  - i. He shall have no power to add to, subtract from, disregard, alter, or modify any terms of this Agreement.
  - ii. He shall have no power to establish salary scales.
  - iii. He shall have no power to change any practice, policy or rule of the Board.
  - iv. In rendering decisions, an arbitrator shall give due regard to the responsibility of management and shall so construe the agreement that there will be no interference with such responsibilities except as they may be specifically conditioned by this Agreement.
  - v. He shall have no power to interpret state or federal law.
  - vi. He shall not bear any grievance previously banned from the scope of the grievance procedure according to the contract.
  - vii. More than one (1) grievance may not be considered by the arbitrator at the same time except upon expressed written mutual consent and then only if they are of similar nature.
  - viii. Where no wage loss has been caused by the action of the Board complained of, the Board shall be under no obligation to make monetary adjustments and the arbitrator shall have no power to order one.

- ix. Arbitration awards or grievance settlements will not be made retroactive beyond the date of the occurrence or non-occurrence of the event upon which the grievance is based. In no event, however, shall the settlement be earlier than thirty (30) days prior to the date on which the grievance is filed.
- x. The Arbitrator shall have no authority to rule on evaluation, layoff, recall, assignment or placement, discipline/discharge or prohibited subjects of bargaining.
- e. The fees and expenses of the arbitrator is the sole responsibility of the side who is defeated in arbitration.
- f. Should a teacher fail to institute a grievance within the time limits specified, the grievance will not be processed. Should a teacher fail to appeal a decision within the limits specified, or leave the employ of the Board (except a claim involving a remedy directly benefiting the grievant regardless of his employment), all further proceedings on a previously instituted grievance shall be barred.
- g. The Association shall have no right to initiate a grievance involving the right of a teacher or group of teachers without his/her or their express approval in writing thereon.

D. Right of Teachers to Representation:

- 1. No reprisals of any kind will be taken by either party or by any member of the administration against any party in interest, any school representative, any member of the Association or any other participant in the grievance procedure by reason of such participation.
- 2. Any party in interest may be represented at all stages of the grievance procedure by a person of his own choosing, except he may not be represented by a representative or by an officer of any teacher organization other than the Association. When a teacher is not represented by the Association, the Association will have the right to be present during all stages of the grievance procedure and to present any relevant information.

- 1. Notwithstanding the expiration of this Agreement, any claim or grievance arising there under may be processed through the grievance procedure until resolution.
- 2. If, in the judgment of the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance will be commenced at Level Two.
- 3. Decisions rendered at Levels One, Two, and Three of the grievance procedure will be in writing setting forth the decision and the reason therefore and will be transmitted promptly to all parties in interest and to the Association. Decisions rendered at Level four will be in accordance with the procedures set forth in Section 7.

5. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents will be jointly prepared and given appropriate distribution by the Superintendent so as to facilitate operation of the grievance procedure.
6. The sole remedy available to any teacher for any alleged breach of this Agreement or any alleged violation of his/her rights hereunder will be pursuant to the grievance procedure; provided, however, that nothing contained herein will deprive any teacher of any legal right which he/she presently has.
7. In the course of investigation of any grievance, representatives of the Association will report to the principal of the building being visited and state the purpose of the visit immediately upon arrival.
8. Every effort will be made to avoid interruption of classroom activities and to avoid the involvement of students in all phases of the grievance procedure.
